

District Emergency Operation Center, Chautara Sindhupalchok

## Monthly Report, Magh 2073

District Emergency Operation Center, Chautara, Sindhupalchok

2-20-2017

## Introduction

District Emergency Operation Center, Chautara, Sindhupalchok has been functioning as the major information hub for DRR related activities in the district. It is the body of DAO looking after the DRR and other incidents that occur in the district with close coordination with REOC and NEOC. It collects the information from Nepal Police unit and assurance of information is made from the respective police unit which is further informed to CDO. If there is any disaster (natural and man-made) related information, then those incidents are entered in [www.drrportal.gov.np](http://www.drrportal.gov.np) and informed to REOC and NEOC as well. The center has radio room and office room where different disaster related information flex are kept along with the information about LDRMP mapping and MTOT data.

## Incidents

In Magh month, there isn't any such disastrous incidents in the district. There isn't any information about fatal road accidents and suicide cases. Few cases of fire due to short-circuit has been received but no any fatality of human life has occurred.

S.N.	Incident types	No. of occurrence	Location	Death	Injured	House damaged	Property loss (NRs)	Shed damaged	Animal death
1	Fire	2	Bhotang-5 and Kiul	0	0	2	2500000	1	570 hens

## Activities carried out at DEOC

Besides collecting the incidents related information, DEOC updated the office chief details, LDRMP Tracking and orientation. As well as the winterization documents were collected from the supporting agencies. During the 19<sup>th</sup> Earthquake Safety Day, DEOC supported in organizing the program where chief from government bodies, political

leaders, representative from (I)NGOs and reporters were present. The program was focused on strengthening DEOC by providing Search and Rescue items, information management items, NFIs from Care Nepal, Oxfam, Save the Children and World Vision. The five-year District Disaster Risk Reduction Strategy, Sindhupalchok: 2073-2078 was also inaugurated by CDO sir. The strategy was prepared from the technical support of Save the Children. Other presentation included about the Resistance Building and Infra-structures by Er. Tanka Prasad Gautam from DUDBC. Meanwhile CDO sir highlighted on the importance of DECO and its role during the disaster. He also appreciated the support provided by different agencies in strengthening the capacity of DEOC.

## Status of LDRMP

DEOC collected the information about the status quo of LDRMP from the implementing agencies. The detail is presented in the Annex. Most of the agencies are moving forward for the LDRMP formulation within the time period.

14	HELVETAS		1	Melamchi Municipality (Melamchi) Ward No 5, 6 & 7	HELVETAS, CARE, FAIRMED, OXFAM, CSRC in coordination with Melamchi mun are trying to organize a training to mun/VDC authorities, CBO members, LDMC members teachers, social/political leaders on VCA, DRR and DRM planning. Melamchi mun has taken the initiation and fixed the meeting on 1st Feb 2017.									
15	ISARD		1	Piskar	In collaboration with VDC and fellow organizations working in the area, ISARD will conduct a meeting in the end of February to prepare a DIP to avoid duplication. While we are still discussing over training resource person, a collective, initial training/workshop on DRR is to be held on by mid February. VDC authority will chair the training and will be attended by potential LDMC members from each ward. A detailed training/workshop and other activities will follow there after.
