Health Sector Response to Coronavirus Disease (COVID-19)
Tuesday | 02 Baisakh 2077 (14th April 2020)

SitRep

#65

Major activities:

- Four recently diagnosed positive cases of COVID-19, three from Parsa and one from Rautahat, are currently under treatment at Narayani hospital, Birgunj. Contact tracing of these positive cases has been started.
- Three members of a family who had returned from London and were residing in Pepsicola, Kathmandu tested positive through RDT on 1st Baisakh, 2076 (13th April, 2020). Two of them (58 years old male and 81 years old female) tested positive after PCR test done for reconfirmation. All three cases are currently in isolation ward of Patan hospital. Sample testing of people living in the same apartment has been started from today and contact tracing of these three cases is ongoing.

Logistics Management: Department of Health Services (DoHS) has been supplying necessary items such as disinfectant sprayer pump, PPE, N95 masks, gowns, goggles, gloves, thermometer as per the demand and need.

Information and communication: Today, a total of 2688 people received services from two COVID-19 call centers (1115 and 1133).
