**Table-1: Imports by Chapters: F.Y. 2070/71**

| S.No. | Chapters | Description                                                                                                                                                | Value<br>('000 NPR) |
|-------|----------|------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 1     | 01       | Live animals.                                                                                                                                              | 1.451.132           |
| 2     | 02       | Meat and edible meat offal.                                                                                                                                | 137.103             |
| 3     | 03       | Fish and crustaceans, molluscs and other aquatic invertebrates.                                                                                            | 745.426             |
| 4     | 04       | Dairy produce; birds' eggs; natural honey; edible products of animal origin                                                                                | 1.984.464           |
| 5     | 05       | Products of animal origin, not elsewhere specified or included                                                                                             | 156.680             |
| 6     | 06       | Live trees and other plants; bulbs, roots and the like; cut floweres                                                                                       | 72.779              |
| 7     | 07       | Edible vegetables and certain roots and tubers.                                                                                                            | 12.182.855          |
| 8     | 08       | Edible fruit and nuts                                                                                                                                      | 12.227.837          |
| 9     | 09       | Coffee, tea, mate and spices.                                                                                                                              | 5.304.729           |
| 10    | 10       | Cereals crops                                                                                                                                              | 28.161.992          |
| 11    | 11       | Products of the milling industry; malt; starches; inulin; wheat gluten.                                                                                    | 1.387.720           |
| 12    | 12       | Oil seeds and oleaginous fruits; miscellaneous grains, seeds and fruit; industrial or medicinal plants; straw and fodder.                                  | 8.916.980           |
| 13    | 13       | Lac; gums, resins and other vegetable saps and extracts.                                                                                                   | 143.987             |
| 14    | 14       | Vegetable plaiting materials; vegetable products not elsewhere specified or included.                                                                      | 255.994             |
| 15    | 15       | Animal or vegetable fats and oils and their cleavage products; prepared edible fats; animal or vegetable waxes.                                            | 28.542.454          |
| 16    | 16       | Preparations of meat, or fish or of crustaceans, molluscs or other aquatic invertebrates.                                                                  | 84.662              |
| 17    | 17       | Sugars and sugar confectionery.                                                                                                                            | 3.781.168           |
| 18    | 18       | Cocoa and cocoa preparations.                                                                                                                              | 1.235.043           |
| 19    | 19       | Preparations of cereals, flour, starch or milk; pastrycooks' products.                                                                                     | 4.005.216           |
| 20    | 20       | Preparations of vegetables, fruit, nuts or other parts of plants.                                                                                          | 1.027.209           |
| 21    | 21       | Miscellaneous edible preparations.                                                                                                                         | 5.180.011           |
| 22    | 22       | Beverages, spirits and vinegar.                                                                                                                            | 2.906.910           |
| 23    | 23       | Residues and waste from the food industries; prepared animal fodder.                                                                                       | 8.127.529           |
| 24    | 24       | Tobacco and manufactured tobacco substitutes.                                                                                                              | 2.588.090           |
| 25    | 25       | Salt; sulphur; earths and stone; plastering materials, lime and cement.                                                                                    | 13.003.786          |
| 26    | 26       | Ores, slag and ash.                                                                                                                                        | 2.807.780           |
| 27    | 27       | Pterolium products and other mineral oils and products of Inorganic chemicals; organic or inorganic compounds of                                           | 148.724.045         |
| 28    | 28       | precious metals, of rare-earth metals, of radioactive elements or of isotopes.                                                                             | 2.215.556           |
| 29    | 29       | Organic chemicals.                                                                                                                                         | 5.689.707           |
| 30    | 30       | Pharmaceutical products.                                                                                                                                   | 16.425.611          |
| 31    | 31       | Fertilisers.                                                                                                                                               | 11.007.685          |
| 32    | 32       | Tanning or dyeing extracts; tannins and their derivatives; dyes, pigments and other colouring matter; paints and varnishes; putty and other mastics; inks. | 3.171.301           |
| 33    | 33       | Essential oils and resinoids; perfumery, cosmetic or toilet preparations.                                                                                  | 7.152.514           |

**Table-1: Imports by Chapters: F.Y. 2070/71**

| S.No. | Chapters | Description                                                                                                                                                                                                                                          | Value<br>('000 NPR) |
|-------|----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| 34    | 34       | Soap, organic surface-active agents, washing preparations, lubricating preparations, artificial waxes, prepared waxes, polishing or scouring preparations, candles and similar articles, modelling pastes, "dental waxes" and dental preparations wi | 2.302.144           |
| 35    | 35       | Albuminoidal substances; modified starches; glues; enzymes.                                                                                                                                                                                          | 856.452             |
