PROTOCOL TO THE TREATY OF TRADE

With reference to Article V:

1. The Government of India will provide access to the Indian market free of customs duties and the quantitative restrictions for all articles manufactured in Nepal.
- 2(i) Import of articles in accordance with the para "1" above shall be allowed by the Indian customs authorities on the basis of a Certificate of Origin to be issued by the agency designated by His Majesty's Government of Nepal in the format prescribed at Annexure 'B' for each consignment of articles exported from Nepal to India. However, this facility shall not be available for the articles listed at Annexure 'C'
- (ii) In the event of the above facility leading to a surge in the imports generally or in the import of any particular article, the two Governments shall enter into consultation with a view to taking appropriate measures.
- (iii) In the case of other articles made in Nepal which do not fulfil the conditions required by the Certificate of Origin prescribed at Annexure 'B' including those Articles listed at Annexure 'C' for the purpose of preferential treatment into India, the Government of India will provide normal access to the Indian market consistent with its MFN treatment.
3. On the basis of a Certificate issued, for each consignment of products manufactured in the small scale units in Nepal, by His Majesty's Government of Nepal, or by an agency designated by His Majesty's Government of Nepal that the relevant conditions applicable to the products manufactured in similar Small Scale Industrial units in India for relief in the levy of applicable Excise Duty rates are fulfilled for such a parity, Government of India will extend parity in the levy of Additional Duty on such Nepalese products equal to the treatment provided in the levy of effective Excise Duty on similar Indian products under the Indian Customs and Central Excise Tariff.

4. The "Additional Duty" rates equal to the effective Indian Excise duty rates applicable to similar Indian products under the Indian Customs & Central Excise Tariff will continue to be levied on the imports into India of products manufactured in the medium and large scale units in Nepal.
- 4(i) In regard to "additional duty" collected by the Government of India in respect of manufactured articles other than those manufactured in "small" units: Wherever it is established that the cost of production of an article is higher in Nepal than the cost of production in a corresponding unit in India, a sum representing such difference in the cost of production, but not exceeding 25 percent of the "additional duty" collected by the Government of India, will be paid to His Majesty's Government of Nepal provided His Majesty's Government of Nepal have given assistance to the same extent to the (manufacturers) exporters.
5. Export of consignments from Nepal accompanied by the Certificate of Origin will normally not be subjected to any detention/delays at the Indian Customs border checkpoints and other places enroute. In case any need for clarification arises, this will be obtained expeditiously, by the Indian border Customs authorities from the Indian and Nepalese authorities, as the case may be.
6. Where for social and economic reasons, the import of an item into India is permitted only through public sector agencies or where the import of an item is prohibited under the Indian Trade control regulations, the Government of India will consider any request of His Majesty's Government of Nepal for relaxation and will permit the import of such an item from Nepal in such a manner as may be found to be suitable.

Excellency,

Consequent upon the understandings reached between the Commerce Secretaries of His Majesty's Government of Nepal and Government of India during their meeting in Kathmandu on July 4-7, 1996, and subsequent follow-up action thereon, the Government of India agreed to implement the following new simplified procedures for Nepalese containerized traffic in transit to and from Nepal so as to ensure the smooth and expeditious movement of Nepalese transit cargoes through the Indian customs authorities at Sea ports and Borders of India. Notwithstanding anything contained in the measures set out in the existing Protocol to the Treaty of Transit and Memorandum attached thereto signed between His Majesty's Government of Nepal and the Government of India on December 6, 1991, it was agreed that the following new procedures set out in this letter of exchange shall be applied in the clearance of Nepalese containerized traffic in transit to and from Nepal and these procedures shall come into force on and from date of confirmation. These measures set out in this letter of exchange shall be appended as Annexure 'A' to the Protocol to the Treaty of Transit signed between our two Governments on December 6, 1991, as given below:-

Annexure 'A' to the Protocol to the Treaty of Transit

- 1(i) On arrival of the Nepalese containerized traffic-in transit, the Indian customs authorities posted at Seaports/Border Land Customs Stations, as the case may be, shall merely check the 'one time lock' of the container put on by the shipping agent or the carrier authorized by the shipping company and if found intact, shall allow transportation of the containerized cargoes, without examination of cargo unless there are valid reasons to do otherwise.
- (ii) In cases where the 'one time lock' on the container arriving at Seaports/Border Land Customs Stations in India are found broken/defective, the Indian customs authorities shall make due verification of the goods to check whether the goods are in accordance with the Customs Transit Declaration and shall put fresh 'one time lock' and allow the containers to move to the destination. The serial number of the new 'one time lock' shall be endorsed in the Customs Transit Declaration.
- (iii) The procedures set out in paragraph 1(i) and (ii) above shall be applicable to Nepalese containerized export and import cargoes moving to and from Seaports and Border Land Customs Stations in India.

2. The transit procedures in respect to the Nepalese containerized export and import cargoes as set out in para 1 above shall be continued and further streamlined for the expeditious movement of the containerized traffic in transit to and from the Inland Container Depots.
3. For Nepalese transit cargoes other than the containerized ones, the usual measures mentioned in the Protocol to the Treaty of Transit and Memorandum attached thereto shall be applicable.

I shall be grateful if you could kindly confirm that the foregoing correctly sets out the understanding reached between our two Governments.
